Dr Grace Walpole

*Date:* Thu 21 Mar 2019

*Time:* 9:30 – 3:30

*Venue:* Sandy by the Bay, Sandringham

New treatments, new policies and new challenges require strategies to navigate an increasingly complex environment.

Join us to explore the impact of

- VAD legislation
- digital technology in healthcare
- cannabis and
- immunotherapy

on palliative care service provision and develop ways to manage the challenges.

Program includes a networking lunch
