Palliative Care for General Practitioners – ONLINE Session (free)

Join us for an interactive education session, utilising group discussion and case studies to provide a greater understanding of palliative care.

TARGET AUDIENCE

This workshop is for **General Practitioners** based in Victoria (AUS) who care for people with a life-limiting illness. **Practice Nurses** are also welcome to attend.

TOPICS

- Recognising patients who need palliative care
- Communicating about end of life issues
- Voluntary assisted dying in Victoria
- Assessing and managing common symptoms
- Advance care planning

FACILITATOR - Dr Rowan Hearn, Clinical Director Palliative Medicine, Calvary Health Care Bethlehem

DATE - Wednesday 24th February 2021

TIME - 6.00pm – 8.00pm

LOCATION - A WebEx link and guidelines to access will be provided prior to the workshop, after registrations via Eventbrite close (approx. 4 days prior to the workshop date).
