

Multiple Sclerosis at End of Life

Online information session

SMRPCC presents a special online session as part of our new **Trending** lunchtime sessions.

Bridie Phillips, MS Plus Nurse Advisor from MS Plus, will talk about:

- Symptoms a person with MS at end of life may experience
- Management strategies to assist a person with MS at end of life

When: Tuesday 19 March 2024 | 12 pm to 1 pm

Where: Online by MS Teams

Register: Using this link or the QR code:
