

Too young for residential care?

Online information session

SMRPCC presents a special online session as part of our **Trending Topics** lunchtime sessions.

Ability First Australia's Younger People in Residential Aged Care System Coordinator Program (YPIRAC) is a nationally funded program.

The Program is designed to reduce the number of younger people at risk of entering and living in residential aged care. It aims to give younger people greater choice and control over where they live and what supports they need to either transition out of, or avoid entering, residential aged care.

Steve Lowe from

will talk about:

Accessing support and accommodation options for younger people aged under 65 who are palliated with significant care needs:

- Navigating pathways/solutions for people under 65
- Working together with the end in mind

When: Tuesday 20 February 2024 | 12 pm to 1 pm

Where: Online by Zoom
